MEMORANDUM FOR TRADOC Leaders, Trainers, Soldiers, Employees, and Family Members

SUBJECT: Labor Day Holiday Safety Message

1. On September 1st, our Nation celebrates Labor Day and pays tribute to the contributions American workers have made to the strength, prosperity, and the well-being of our great country. Labor Day weekend also marks the symbolic end of summer, and represents a time of increased risk to our Soldiers, Civilian employees, and Family members.
2. Everyone has a critical role in accident prevention. Before the start of the holiday weekend, I would ask that everyone:
 - a. Review your upcoming off-duty activities and conduct a risk assessment to mitigate any hazards. Online training can be found at <https://safety.army.mil/>.
 - b. Complete the Travel Risk Planning System at <https://trips.safety.army.mil/login.aspx?ReturnUrl=%2f>, if your travels take you on a long journey.
 - c. Review Summer Safety at <https://safety.army.mil/MEDIA/SeasonalSafetyCampaigns/Summer2014.aspx>. Look at the categories specific to you and your Family this weekend.
3. Engaged leadership and individual commitment are keys to success. Thank you for your service and all you do for our Army and our Nation. Best wishes for a safe and enjoyable holiday!
4. Safety Starts Here! Victory Starts Here!
