**What TRADOC is FOR:** To Change the Army for the Future
To **Design, Acquire, and Build** the future Army, and to constantly **Improve** it

**Design**
- TRADOC writes the concepts that drive all future force development integrating DOTMLPF-P for the Army
- Half of the armies in the world model their armies’ force structure, doctrine, and training after TRADOC designs for the U.S. Army
- The doctrine written by TRADOC is used by 46 nations’ militaries around the world

**Acquire**
- TRADOC runs over 1,438 recruiting stations across US
- TRADOC recruited over 85,000 new Soldiers in FY17
- TRADOC trains and commissions 73% of the officers for the Total Army at 937 colleges and universities
- Army SROTC grants over $304 million in scholarships

**Build**
- Over 122,000 Soldiers go through TRADOC’s Basic Combat Training and One-Station Unit Training annually

**Improve**
- TRADOC, trains and educates over 572,500 students a year – larger than the entire British, French, and German armies put together x2
- TRADOC, the largest leadership institution in the world, trains students from the Total Army and our JIM partners; 45,000 of who are members of the Joint Force
- There are international students and trainees from 117 different countries in TRADOC schools and courses
Army University System in Comparison
